Glaring headlines chronicle the divorce or tantrum of even the most insignificant movie actress. Today the death of Lon Chaney, perhaps the greatest character actor in the world, rated but a small "stick" of blackface type. Chaney was a mighty popular man with the followers of the movies, and his absence from the screen is likely to be keenly felt for some time to come.

Monday morning's shower, with its accompanying display of pyrotechnics, coming as it did early in the season, and the present cloud formation which overcasts the valley, takes us back to the days when rain was not so scarce. Well do we recall the nimble footwork incidental to the stacking of trays heavily laden with the noble prune—and the lesser speed with which we spread them out again.

School is slated to start Monday, Sept. 15. Principals of both schools predict a record registration. The grammar school is in pretty good shape to handle a few more than they had last year, but what will become of a "record registration" at the high school is something else again. That any reasonably prosperous California community cannot properly care for its high school students is unthinkable—and that is just what we are failing to do. We earnestly urge every boy and girl of high school age to carry on their education. Most of them will—though some of them are bound to go to other schools.

It has been reported that last week's street dance met with disfavor in some quarters. There is no good reason to condemn a well-conducted street dance here or any place else. We all like to see the canny help come to town; we'd feel terribly put out if they rushed into town for their groceries, etc., and by the same token it's up to us to provide some sort of amusement for them occasionally. The crowds are never so great but that they could be quickly dispersed in case of a fire; no altercations occur, and everybody has a good time. Let's let it go at that.

We understand that ten cent fares to San Jose are being advocated. To the mind of one whose hope of progress lies distinctly in Campbell, ten cent fares to San Jose do not sound so good. Of course, nearly everyone has a car nowadays, and goes and comes at will, but the psychology of cheap fares to San Jose are going to do little to help the local merchant keep business at home.

Now that the election is over a lot of people will be buying new hats on election bets. A lot of heads, however, will be too sore to wear new hats.

That's all.

SECOND DEATH IN
ROE FAMILY; SON
DIES OF POISONING

The small son of Mr. and Mrs. Roe, newcomers to Campbell, who reside on North Fourth street, died Wednesday after a brief illness caused by eating ant poison. The child's illness was not thought to be serious until two days after the poison was taken, then he was rushed to the county hospital, but he was past recovery.

Mr. and Mrs. Roe recently lost another child who succumbed to diphtheria.

"CRIME WAVE" IS
CAUSE OF EXCITEMENT
LAST WEEK

Wednesday evening the peace which Campbell has for the past several years been enjoying was disturbed by a series of house-breaks.

The home of Mr. and Mrs. Nels Blake on South Second street was entered by a lone prowler at about 9 o'clock. Mr. Blake, who was in bed, arose to investigate the suspicious noises. He accosted the burglar in the kitchen, and engaged in a hand to hand battle, being severely beaten about the head by the robber, who fled.

A few minutes later the home of Ralph Vannucci on Kennedy avenue was broken into. The prowler then entered the J. H. DeVaughn home in Second street. Mr. DeVaughn fired two shots at the burglar, but failed to score a hit.

The house south of the Oluf Strom residence was raided and a number of articles taken.

The F. V. Perrott home was also singled out for a raid, but Mrs. Perrott heard the approach of the prowler and locked the doors before he could get in. Similar raids were attempted Thursday and Friday evenings, but without success.

STREET DANCE IS
HIT WITH LOCAL
BOYS AND GIRLS

Another successful street dance was given last week by a group of Campbell merchants. A. J. Robins of the Rainbow Soda Fountain in Bernhardt's store, was the originator of the idea, and was backed by the Busy Bee restaurant, C. H. Whitman, Herbert Shadle, Morgan's Dry Goods store, Al Bulmore, Ralph H. Hyde, Bernhardt's grocery, Cash and Carry cleaners and the Campbell People's market.

Special music was provided for the affair, and a singer entertained between numbers. The dance lasted until 12 p. m.

PROF. H. SMITH
ELECTED TO POST
AT NASHVILLE

The news of the election of Professor Harold Smith, to serve on the faculty of the Fisk university of Nashville, Tenn., was just received last week in Campbell. Mr. Smith is the son of Mrs. Ellen R. Smith and the late Professor F. R. Smith, first principal of the Campbell high school.

Professor and Mrs. Smith spent several weeks in Campbell last winter after resigning their positions as instructors under the Presbyterian missionary board in the Shantung Christian university in Tsinan, China. During their stay in this vicinity they gave many interesting and educational talks on the characteristics of the Chinese. Mrs. Smith appeared several times before the various women's organizations in Campbell. For the past several months Professor and Mrs. Smith have been living in New York city.

Crash Friday Wrecks
Visitor's Automobile

W. C. Stickle of Calistoga, a visitor in Campbell, was driving down Central avenue last Friday, and as he attempted to turn onto Campbell avenue he found his way blocked by another car, double-parked at the corner. In avoiding this car he crashed into the rear end of a truck which was proceeding down Campbell avenue, piloted by C. E. Smith.

Stickle's car was quite badly damaged. The truck was not damaged. Dunlap & Smiley are repairing Stickle's car.

Mr. and Mrs. F. W. Battee were pleasure visitors in San Francisco last week.

THE PRESS LAUNCHES
BUSINESS BUILDING
CAMPAIGN

Today the Campbell Press announces a big business-building campaign, in the course of which some \$12,000 worth of prizes will be distributed among the people residing within the Campbell trading territory.

Among these prizes, all of which will be fully described in an early issue, will be an automobile that will make every woman in the community want it for her own. Any ady in Campbell or the surrounding territory is eligible to participate in this great contest, the like of which has never before been held in this community.

Contestants will be given votes upon all business for the Campbell Press. All prizes are to be given away ABSOLUTELY FREE. Every active candidate is guaranteed either a wonderful prize or a cash commission.

It costs nothing to enter the campaign and the time will be short—only a few weeks—and in your leisure hours in that time you can win a wonderful prize.

Phone the campaign manager at the Press office. Send in your name, or bring it in, or if you have friends you would like to see driving their own car, send in their names. An unusual feature of this campaign, and one that has exceedingly popular in these campaigns, is the fact that a declining vote schedule will be employed. By this you can see how important it is to have your name reach the campaign office at once, that you may get to work promptly while there is a virgin field to work in and a chance to secure the lead early in the campaign while the votes count big.

During the first period the votes count three and one-half times more than they do in the closing period. Now is the time to get full instructions and supplies for the work. Be ready to start early. This will give you a much better chance to pile up a good lead of votes that will prove very valuable in the closing days of the campaign.

The campaign headquarters are at the Press office, Campbell, open to 5:30 p. m. The telephone number is Campbell 21-J.

Western Railroads Join
In Labor Day Fare Cuts

Widespread fare reductions in the interest of travel over Labor Day have been announced jointly by the Southern Pacific, Santa Fe, Western Pacific and other important rail lines serving the western states.

The special roundtrip excursion tickets will be available, it was stated, from Aug. 29 to Sept. 1, inclusive, between all points west of Ogden and Salt Lake City, and between Portland on the north and Albuquerque and El Paso on the south. Return limit will be Sept. 3.

Campbell Water Co.
Installs New Mains

The Campbell Water company has installed new water mains on all newly graded streets in Campbell. The streets mentioned include Second and Third and Los Gatos road.

Old mains were considered too close to the surface of the ground, and were inadequate in size. The new mains are considerably larger and are buried deeper in the ground.

Mr. and Mrs. S. N. Hedegard received a short visit last week from Mr. and Mrs. R. B. Shaw of Los Angeles.

TOWNSHIP PRECINCTS
SUPPORT C. C. YOUNG,
EMIG AND Mc KINNON

Of considerable interest to local people will be the following table which shows the complete vote in the four precincts which comprise Campbell township.

Youn's popularity in this community is apparent, and the fact that Schumann lost out here will come as a surprise to many. Joe McKinnon defeated Buffington by a big majority.

The uncontested offices are not tabulated.

SAN JOSE MASONS
VISIT THE CHARITY
Lodge MON. NIGHT

A large group from the Masonic lodges of San Jose visited Charity lodge of Campbell Monday evening at a special meeting at the I. O. O. F. hall. The third degree was conferred upon a candidate from the Friendship Lodge, No. 210, San Jose, at this meeting. The third degree is an interesting and spectacular ceremony and was thoroughly enjoyed by the members.

A social hour after the meeting included tasty refreshments which were provided by the local lodge.

MADRONE TEAM
BEATS LOCAL 9
SUNDAY, 10 TO 0

The Campbell baseball team had a chance for the championship of the second half of the Valley league by winning the game with Madrone held on the Campbell diamond Sunday afternoon, but fortune was not with them. Jack Coyne, a newcomer to the team, pitched a good game to the fifth, but after that allowed plenty hits. Madrone totalled 10 tallies to Campbell's nothing. Johnson of Madrone umpired. His decisions met with little favor from local fans and narrowly escaped causing a free-for-all.

HOWDY FOLKS—A machine known as "business brains" has been invented, which will do the work of 50 accountants.

Yes, but will it be willing to work overtime to balance the books?

THE MACHINE WILL DO DIRECT DIVISION AND SUBTRACTION, ALL OF WHICH WILL BE GOOD NEWS TO A LOT OF FIFTH GRADERS.

WHY NOT ELECT IT MAYOR AND CITY COUNCIL?

Maud Muffins Sez: "This new machine that does the work of 50 men, is almost as efficient, I calculate, as a mother who has to wash, cook and darn for a family of six."

INTERESTING FACTS

Thousands of young men in Chicago go hatless, but few go gatless.

NEXT TO A KANSAS TORNADO, NOTHING IS HARDER TO STOP THAN THREE GIRLS WHO GET THE GIGGLES AT THE DINNER TABLE.

It looks like we are going to get a free ride to the factory in the big Goodyear zeppelin contest which closes this week. All we need are a few more truck and passenger car tire sales to put us over. If you need anything in the way of tires—why put it off? Now is the time to buy. Lowest prices in Goodyear history.

In the old days when anybody missed a stage coach he was contented to wait two or three days for the next one. Now he lets out a squawk if he misses one section of a revolving door.

DISTINCT ART IS BEING DEVELOPED SAYS U. C. WOMAN

Berkeley, Aug. 26—That a distinct American art is being developed is the conclusion reached by Miss Emma J. McCall, instructor in art and design with the University of California extension division, who has recently completed research work in regard to the background of American art.

"Furthermore, this country's art is being supplemented with the delicacy of the English colonial, the richness of the Dutch colonial and the grace of the Spanish, all of which are America's natural inheritance," she adds.

Miss McCall, who has won world wide recognition for her work in design, will start classes in that subject for the University of California extension division, this week in the Bay region, it is announced.

PAN AMERICAN TRADE CONFERENCE UNDER WAY

Sacramento, Aug. 25—Round table sessions of groups of delegates to the Pan American Reciprocal Trade conference were under way today, following the opening session at the Memorial auditorium here yesterday. Every citizen of Campbell had been invited to attend the opening meeting. And with the colorful display of decorations symbolical of the nations represented, the initial session was

declared by conference officials to be a huge success.

The Memorial auditorium was also used as the setting for a display of various sample products from many of the Latin American countries, as well as California and Oregon commodities. The Latin samples were in the form of small representative displays of export products.

Round table meetings will be held throughout the entire week, and the resulting actions of each group will be turned over to a committee on resolutions for action by the entire conference personnel.

DR. CARL'S DISCOVERY STOPS GAS, CONSTIPATION
In his private practice, Dr. Carl Weschcke first perfected the simple mixture now known as Adlerika. Unlike most remedies, Adlerika acts on BOTH upper and lower bowel and removes old poisons you would never believe were in your system. Stops GAS bloating in 10 minutes! Relieves chronic constipation in 2 hours! Let Adlerika give your stomach and bowels a REAL cleaning and see how good you feel! It will surprise you! Shadle's Drug Store.

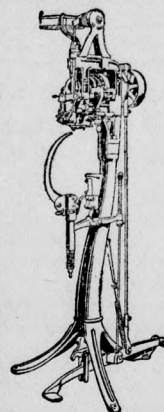

Newspapermen from the various Latin American countries were feted last night at a dinner given in their honor by the Sacramento Chamber of Commerce. Including representatives of California newspapers and news services, the dinner was attended by nearly forty writers.

All the hot water you want
—no waiting, no bother!

This instant hot water service saves 4 to 6 hours of your time each week.

School bells end vacation days. Then comes additional cares for mothers—little faces to wash and clean clothes to put on. Perhaps a parting smudge by a four-legged friend adds another care.

No wonder that mothers today want their homes to have the many conveniences—like INSTANT HOT WATER, to wash away the trouble.

An abundant supply of hot water, instantly, saves your time and energy—by quickly dissolving dirt and grease, by making it easy to keep things sweet and fragrant.

No Need of Watching the Automatic Gas Water Heater

With the Automatic Gas Water Heater, a thermostat turns the gas on and off. It maintains the water temperature at 140 degrees day and night. At any moment one can have deep hot water for bathing, a basinful for shaving. No gas is wasted keeping

the water hot, the water stays hot because the boiler is insulated.

This instant hot water service costs less than one-fifth of a cent per gallon—the lowest cost of any method of heating water in the home.

Special Summer Sale

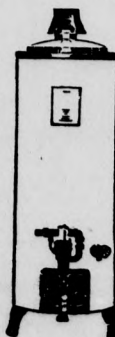

Believe it or not—the P. G. and E. will completely install an Automatic Gas Water Heater for you as follows:

\$10 allowance for your old water heater.

\$5 down

Balance as low as \$6 a month for 18 months.

Come into our office or a dealer's store and see the modern heaters. Or just telephone and our representative will call, inspect your present water heating equipment and make you an offer.

WHY FAT MEN STAY FAT

"The trouble with me, and I
guess this applies to 99 per cent
of the men who are putting on weight,
I didn't have the energy or "pep"
to keep it off. Lost all interest in
any healthy activity and just lazed
around accumulating the old
pounds until I got that "Kruschen
feeling."

Start taking Kruschen Salts—
that's the common-sense way to re-
duce—but don't take them with the
idea that they possess reducing
qualities in themselves.

This is what they do—they clean
out the impurities in your blood by
keeping the bowels, kidneys and
liver in splendid working shape and
fill you with a vigor and tireless
energy you'd most forgotten had ex-
isted.

As a result instead of planting
yourself in an easy chair every free
moment and letting flabby fat ac-
cumulate you feel an urge for ac-
tivity that keeps you moving
around doing things you've always
wanted to do and needed to do to
keep you in good condition.

Then watch the pounds slide off!
Kruschen Salts are the up-to-date
Fountain of Youth. Take one half
teaspoonful in a glass of hot or cold
water tomorrow morning and every
morning—and if they don't change
your whole idea about reducing, go
back and get the small price you
paid for them. Get an 85 cent bottle
of Kruschen Salts—lasts 4 weeks
—at Clark's or any progressive
druggist anywhere in the world.

RALPH WELLS WRITES A PLAY

Ralph Wells, who played
formerly in San Jose with a
stock company has now enter-
ed the play-writing field. His
play, "Maternally Yours,"
made quite a hit in the south
and his latest production, "The
Moulting Angel," promises to
be a real drawing card.

Ralph is playing one of the
leads in his new play, recently
given its premiere at The
Troupers in Hollywood. He will
be remembered here as the hus-
band of Florence Williams.

"That man cheats," said a
golfer as he entered the club-
house. "He lost his ball in the
rough and played another ball
without losing a stroke."

"How do you know he didn't
find his ball?" asked a friend.
"Because I've got it in my
pocket."

Curry.

Odd Fellows and Rebekahs Enjoy Picnic At Oak Dell Sunday

A large number of members
of the Morning Light lodge,
I. O. O. F., and the Ada Re-
bekah lodge were in attendance
at the barbecue and picnic Sun-
day at Oak Dell. The affair
was staged by the visitation
committee of Morning Light
Lodge.

After a noon dinner which
featured barbecued meat, ice
cream, etc., the afternoon was
spent in games, races and swim-
ming. Dancing was also enjoy-
ed, with a good orchestra play-
ing under the direction of Chas.
Payne. William Coupland had
charge of the swimming con-
test.

Birthday Party For Mrs. S. N. Hedegard

Mr. and Mrs. S. N. Hedegard
entertained a number of friends

at a dinner party Sunday even-
ing in honor of Mrs. Hede-
gard's birthday, which was
Monday.

Those enjoying a very pleas-
ant evening were Mr. and Mrs.
John Hanson, Mr. and Mrs. An-
drew ePterson of Newman,
Mrs. Kathryn Skrydstrup and
family and Mrs. Mamie Madsen
of Fresno; Mrs. Esther ePter-
son, Chris Hedegard and the
host and hostess.

"Did you say he doesn't
know how to kiss?"

"No. I said he didn't know
how to kiss."

Chaplain—Didn't you con-
sider your future, young man,
when you embezzled that
money?

Convict—Yes, sir. I put it
straight into the savings bank.

FREE RADIO TUBE SERVICE

On and after Sept. 1 Dunlap &
Smily are going to extend free tube
service to all radio set owners, un-
der the following plan:

We are going to call on all set owners in this community in
rotation. Wednesday, Thursday and Friday evenings, be-
tween the hours of 7 and 8:30 o'clock will be set aside by us
for this work. The service is absolutely without cost and en-
tails no obligation to buy tubes or sets from us.

We will show you the exact condition of your tubes; You
may then judge for yourself whether or not new tubes are ad-
visable. These calls will be made every four months in ac-
cordance with plans mapped out by national radio authorities.
